Amendments to the Specification:

Please insert the following new paragraph after the paragraph starting at page 1, line 17:

§ 0.3 SEQUENCE LISTING

This application incorporates by reference a sequence listing on two CD-Rs having a machine format of IBM-PC and an operating system of MS-Windows-XP. Each CD-R contains a text file, titled "Poly-50 Sequence Listing," created on December 26, 2007, and 2KB in size. The Sequence Listing adds no new matter.
